

WOULD YOU LIKE TO DISCUSS ABOUT CURRENT SOCIETAL ISSUES?

Participants Needed!

Would you like to participate in a group conversation on a societal theme such as immigration, abortion, gender identity, or other topics? We are recruiting participants to engage in group conversations as part of a scientific research project.

Participating would involve:

- Filling out questionnaires at home
- Attending a full-day in-person workshop and conversations on a Saturday or Sunday, between August and September 2024.

To participate in this study you must:

- Be age 18 or older
- Speak fluent English or French
- Be able to participate in-person in Montreal

Compensation for your involvement: 50\$

Location: Université de Montréal

For more information, or to
participate, please email us at:
